Claim Rejections - 35 USC § 102

7. **The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:**

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

8. **Claims 1-6, 23-28 and 36-41 are rejected under 35 U.S.C. 102(b) as being anticipated by Walkowski (10 Minute Guide to WordPerfect 5.1 for Windows, published in 1992).**

Art Unit: 2178

In regard to independent claim 1, Walkowski discloses *in an electronic document editor, a selection services component comprising a selection services interface that provides one or more methods to enable an editor extension to clear, add or remove a segment from a selection object.* (Walkowski Pages 31-32 i.e. option to delete, remove or clear text and Page 23-25 i.e. option to add text using the interface)

In regard to dependent claim 2, which depends on claim 1, Walkowski discloses *wherein one of the methods provided further comprises a method that adds an element segment to an editable selection.* (Walkowski Pages 23-25 i.e. option to add text using the interface and Page 135-139 i.e. adding buttons)

In regard to dependent claim 3, which depends on claim 1, Walkowski discloses *wherein one of the methods provided further comprises a method that retrieves an interface for a current editable selection, which enables the editor to process certain selection events.* (Walkowski Pages 4-7 i.e. interface to select events)

In regard to dependent claim 4, which depends on claim 1, Walkowski discloses *wherein one of the methods provided further comprises a method that adds a segment to an editable selection.* (Walkowski Pages 23-25 i.e. option to add text using the interface and Page 135-139 i.e. adding buttons)

In regard to dependent claim 5, which depends on claim 1, Walkowski discloses *wherein one of the methods provided further comprises a method that removes a segment from an editable selection.* (Walkowski Pages 31-32 i.e. option to delete, remove or clear text and Page 135-139 i.e. customizing buttons, which can be removed)

In regard to dependent claim 6, which depends on claim 1, Walkowski discloses *wherein one of the methods provided further comprises a method that sets a selection type.* (Walkowski Page 135-139 i.e. customizing button types)

In regard to dependent claim 24, which depends on claim 23, claim 24 reflects similar subject matter claimed in claim 2 and is rejected along the same rationale.

In regard to dependent claim 25, which depends on claim 23, claim 25 reflects similar subject matter claimed in claim 3 and is rejected along the same rationale.

In regard to dependent claim 26, which depends on claim 23, claim 26 reflects similar subject matter claimed in claim 4 and is rejected along the same rationale.

In regard to dependent claim 27, which depends on claim 23, claim 27 reflects similar subject matter claimed in claim 5 and is rejected along the same rationale.

In regard to dependent claim 28, which depends on claim 23, claim 27 reflects similar subject matter claimed in claim 6 and is rejected along the same rationale.

In regard to independent claim 36, Walkowski discloses *receiving a request from an extension to utilize a selection services component; facilitating the request by presenting a selection services interface that is accessible by the extension* (Walkowski Pages 4-7 i.e. requesting from an interface to select events); *and communicating with the extension through the selection services interface to enable the extension to clear, add, or remove a selected segment from a selection object of an electronic document.* (Walkowski Pages 31-32 i.e. option to delete, remove or clear text and Page 23-25 i.e. option to add text using the interface)

In regard to dependent claim 37, which depends on claim 36, claim 37 in addition to the following reflects similar subject matter claimed in claim 2 and is rejected along the same

rationale. ...*Wherein the communicating further comprises communicating with the extension through the selection services interface.* (Walkowski Pages 4-7 i.e. interface to select events)

In regard to dependent claim 38, which depends on claim 36, claim 38 in addition to the following reflects similar subject matter claimed in claim 3 and is rejected along the same rationale. ...*Wherein the communicating further comprises communicating with the extension through the selection services interface.* (Walkowski Pages 4-7 i.e. interface to select events)

In regard to dependent claim 39, which depends on claim 36, claim 39 in addition to the following reflects similar subject matter claimed in claim 4 and is rejected along the same rationale. ...*Wherein the communicating further comprises communicating with the extension through the selection services interface.* (Walkowski Pages 4-7 i.e. interface to select events)

In regard to dependent claim 40, which depends on claim 36, claim 40 in addition to the following reflects similar subject matter claimed in claim 5 and is rejected along the same rationale. ...*Wherein the communicating further comprises communicating with the extension through the selection services interface.* (Walkowski Pages 4-7 i.e. interface to select events)

In regard to dependent claim 41, which depends on claim 36, claim 41 in addition to the following reflects similar subject matter claimed in claim 6 and is rejected along the same rationale. ...*Wherein the communicating further comprises communicating with the extension through the selection services interface.* (Walkowski Pages 4-7 i.e. interface to select events)

Response to Arguments

9. **Applicant's arguments filed 11/12/2004 have been fully considered but they are not persuasive.**

The applicant request allowance for elected claims (Page 7). However, the remaining claims have been rejected by Walkowski (10 Minute Guide to WordPerfect 5.1 for Windows, published in 1992).

Conclusion

10. **The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.**
